A Companion for Life

The Inland Valley Humane Society & S.P.C.A. is excited to introduce its new "Senior for Senior" adoption program designed for individuals 65 years of age and over. Adopting a senior pet as a "Companion for Life" is easy and affordable. Senior citizens can now adopt a senior cat or dog (7 years of age and over) for a discounted adoption fee. This fee is limited to one "Companion for Life" per senior household. The adoption fee includes spaying or neutering, first application of Frontline, de-worming, DHPP vaccination, two weeks of follow-up veterinary care if needed and a behavior assessment. The program does not include licensing or rabies vaccination, however, new owners have 30 days to obtain a license in their city of residence.

Senior Center Visits

Inland Valley Humane Society & S.P.C.A. staff can arrange to visit city Senior Centers to show off a variety of loving dogs and cats that are ready for a senior adoption. Please contact our adoption department to schedule a "Senior for Senior" adoption event in your city.
